OPERATIONAL AI FOR THE PHYSICAL WORLD

SEPTEMBER 28TH-29TH, 2026 • THE FAIRMONT HOTEL • SAN FRANCISCO

SUMMIT PARTNERSHIP OPPORTUNITIES

# Where Operational AI meets the real world.

DATES

September 28-29, 2026

VENUE

The Fairmont Hotel

CITY

San Francisco, CA

## WELCOME

# Partner with the world's leading Operational AI executives.

The AI Reality Summit brings together enterprise executives, government leaders, innovators, technology partners, and AI visionaries who are transforming AI from promising technology into real-world business impact.

Summit Partners help create the experiences that will bring together this Operational AI community. From exclusive executive networking opportunities to unforgettable evening experiences, every partnership is designed to foster meaningful conversations, lasting relationships, and industry leadership.

Bringing together global executives at the epicenter of Operational and Physical AI, the AI Reality Summit offers an exceptional opportunity to engage with the organizations finding success and shaping the next era of AI.
